Hold me, don't let go  
**G**                      **C**        **G**        **C**  
I see heaven, in your blue eyes  
**G**                      **C**        **G**  
Angel I love you so

## CHORUS:

**D**                      **C**  
But I know, I've got to go  
**G**                      **C**        **G**  
My body and my spirit tells me so  
**D**                      **C**  
I know, I've got to go  
**G**        **C**                      **G**  
Follow where the wind may blow

Jane do you remember, that September  
In a tent beneath a tree  
That memory, will stay with me  
Kiss me, and set me free

## REPEAT CHORUS:

## BRIDGE:

**C**  
Janie don't you give up hope  
**G**  
When I leave  
**C**  
I want so much for you  
**G**  
To believe  
**D**                      **C**  
Believe in me, that I'll always be  
**G**  
With you
